## Illinois Tollway Update – January 2022

### Tollway 2021 Accomplishments

Despite the challenges and disruptions, the Illinois Tollway had a tremendous year serving our customers and the communities you represent.

We've continued to work diligently to deliver on our core mission and improved our approach to tolling – while mitigating the impact of COVID-19 on our customers, our industry partners, and everyone who contributes to our efforts.

Highlights of the Illinois Tollway's 2021 service and successes include:

- Aiding more than 24,000 customers with our roadway team's emergency roadside services providing a helping hand and keeping motorists safe.
- Serving more than 2 million customers with our new industry-leading Pay By Plate service, giving customers a seamless way to pay unpaid tolls with zero fees.
- Expanding our I-PASS Assist program to ensure all working individuals and families are able to realize the benefits of I-PASS.
- Helping customers realize over \$130 million in savings through our amnesty efforts that are delivering critical relief to customers during the pandemic.
- Completing the 10th year of the *Move Illinois* Program on schedule and within budget - overall, more than \$9.4 billion has been invested by the Tollway since the Program began in 2012, with more than \$2.4 billion of that total committed to small, diverse and veteran-owned firms.
- Developing a balanced 2022 Budget aimed at strengthening our agency and serving our customers with \$1.49 billion in revenue allocated to fund maintenance and operations, debt service transfers and capital investments for the 294-mile system.
- Continuing to engage stakeholders on both the impact, importance and potential of our projects developing critical support for the work we're delivering on our system.
